

PAYING SOMEONE IS EASY AND SECURE WITH P2P PAYMENTS

Here's what you need to do to get started:

1. Login to Mobile Banking
2. Select "Pay Bills" from the menu.
(Don't see "Pay Bills"? Sign up for **Bill Pay at necu.org/billpay**)
3. Add a new payee
4. Select "Pay a Person"
5. Select payment method - check, email, direct deposit
6. Enter payment info and create a keyword

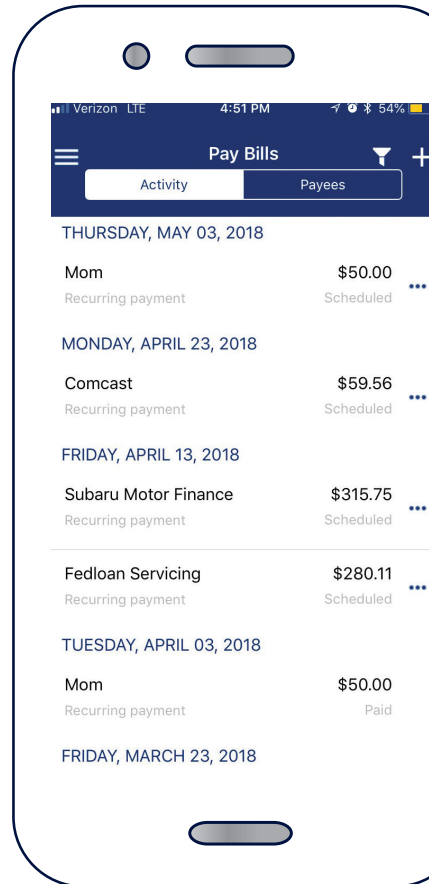

Once payee is activated, you can then submit your P2P payments to that payee.

Here's what the payee needs to do:

1. Check their email or text messages for activation instructions
2. Verify their identity by entering the keyword you provided
3. Enter their account number and bank routing number or their VISA[®] Debit Card number and expiration date
4. Click accept
5. Money will be transferred to their account
