Deposit Checks from Your Mobile Device

Save a trip to the branch by depositing checks from your mobile device. You can access **“Mobile Deposit”** right from the Northeast Credit Union mobile app.

1. Open your Northeast Credit Union Mobile App
2. Select **“Check Deposit”** from the bottom of your screen or from the main menu. *(If this is your first time using Mobile Deposit, you will need to read through and accept the Terms & Conditions).*
3. Endorse the back of the check and write **“For mobile deposit only at NECU”** under your signature.
4. Choose the account you’d like to deposit the funds into and enter the amount of the check.
5. Snap a picture of the **“front”** and **“back”** of the check, making sure the entire check is visible on the screen.
6. Hit **“Submit Deposit”**.

Boom, you’ve done it!

The screenshot shows the 'Mobile Deposit' screen in the NECU mobile app. At the top, the status bar shows the time 1:33 and signal/battery icons. The app header is 'Mobile Deposit' with a close button. Below the header are two tabs: 'Deposit Check' (selected) and 'Deposit Check History'. A message box says 'Please sign the back of your check and write, “For mobile deposit at NECU”' with a close button. Below this is a 'Deposit Account' dropdown menu. The 'Amount' field is currently empty, with a placeholder of '\$0.00'. At the bottom are two camera icons labeled 'Front of check' and 'Back of check'. A 'Submit Deposit' button is at the very bottom.
